WEAAD 2016

Now in its 7th year, WEAAD is recognized as one of the premier events showcasing services to Brevard County's senior community. As it has grown and improved, WEAAD continues to offer local companies and provider agencies an opportunity to highlight what they do best, while at the same time bringing attention to the issue of elder abuse prevention. This year we will be focusing on media coverage of the event. Please consider mentioning your participation at the Fair in your upcoming advertising.

A limited number of sponsorship options are available for companies wanting to increase their profile at the event (see enclosed registration form). You may choose to be an event bag sponsor, a breakfast, or lunch sponsor. In addition, a special section of the auditorium will be set aside for blood pressure checks, spinal checks, massages, etc. If your company has a service and/or screening to provide, please let the committee know so a space may be reserved for you. Door prizes for event attendees are always welcome and appreciated. Door prize donations will be accepted and announced on the day of the event.

Enclosed, you will find all information regarding registration as well as information on sponsorship opportunities. We look forward to having familiar WEAAD friends returning for another year, and welcome new vendors to join us for what promises to be a well attended, fun-filled, and informative event. Don't miss out on this great opportunity.
